Becoming BIBI: A Workshop for Personal and Deaf School Transition

Information regarding the National BIBI Workshop hosted by the Indiana Deaf School can be obtained in the Visitor and Information Center. Ms. Wendy Whiting Laird and the BIBI Committee have developed a four page informational sheet which is available upon request.

VIC Planning

The staff of the Visitor and Information Center met on January 29 to follow-up their recent retreat and to put together a short-term plan for the Center. Winona Alter, Bill Coffey, David Reynolds and Gary McWhirter met with Superintendent Laird, Ann Titus and George Stailey. Together they delegated various responsibilities that were previously assumed by the director. It was agreed that, for the time being, George Stailey will assist the VIC staff, acting as a coordinator and liaison between VIC and the Superintendent. During the month of February the group will meet regularly to continue setting goals for the Center and to create action plans for those goals.

As part of the Superintendent's Office, VIC is committed to improving their services to the school. Winona Alter will continue to work mornings in the VIC office. If assistance is needed at other times please contact either George Stailey (ext. 128) or DeNada Smith (924-8400) in the Superintendent's Office. Thanks to the ISD community for its cooperation during this transition!

Advisory Board Meeting

Due to inclement weather on January 19, the ISD Advisory Board meeting was rescheduled for Wednesday, February 16.

Thought for the Week:

"Learning ASL ... involves a body consciousness that does not come naturally to me, and a struggle with self-consciousness that unfortunately comes all too naturally."

Susan Shepard, IUPUI Associate Professor of English, Anthropology, & Women's Studies - in the January/February 1994 issue of *Insights Magazine*

*The ISD Campus Bulletin
is published weekly
during the school year*

Send submissions to:

*Visitor & Information Center
Alumni Hall Room # 122*

Deadline - Fridays

Editor - Gary McWhirter

YMCA Before & Afterschool Care

Goals of the Program:

1. To provide an ASL accessible environment for children living in homes where there are Deaf family members residing.
2. To help hearing siblings and Deaf children feel more comfortable with each other through mutual acquisition of ASL in a natural setting.
3. To provide before and after school care in an ASL environment, uniquely accessible to members of the Deaf community, unlike other daycare programs in the city.

Tentative Hours for the Fall: 6:30 - 8:00 am
2:00 - 6:00 pm

LRC News

Now available in the Learning Resource Center is the videotape **"ADA: Access for Deaf Americans."** The videotape highlights the rights and responsibilities of Deaf and Hard of Hearing people under the Americans with Disabilities Act of 1990 (ADA). It is the first of its kind, presented in American Sign Language (ASL) with voice-overs and open captions, making it totally accessible.

"ADA: Access for Deaf Americans" is a valuable resource that can be used as a training tool for both individual study and group settings such as workshops or the classroom.

PTCO Notes

The PTCO Board meeting will be held on Sunday, February 13, 4 - 6 pm in the the Family and Student Services' conference room.

On Tuesday February 15 there will be a meeting for the committees that are planning PTCO Day (May 1st)

ASL will be the primary language of the program, with English used when needed for mediation.

Planners are currently working on job descriptions, and will be seeking Deaf and Hearing people fluent in ASL who have experience working with Bilingual children.

For more information about this program, please contact FSS Program Planner Diane Hazel, EXT. 161 924-8416 TTY/Voice.

Want to Learn More About Culture?

As ISD becomes a BIBI school, ISD staff, parents, and students ask each other many questions about culture, about minority/majority views, and about empowerment. Often, they can learn more about the experiences they are having at ISD by reading contemporary fiction. Many of today's authors are writing about their experiences with cultures and empowerment and their books seem to parallel many of the experiences at ISD. Here are two books that are highly recommended:

BELOVED

by Toni Morrison

This is a very powerful story of an African American woman who escaped from slavery and her family. Although she managed to free herself and go to live in the North, her spirit still struggled to find its *real* freedom and to empower itself. This book is an astonishing account of the horrible consequences of oppression and a tribute to the continuous drive that all humans have for freedom, truth, and love. The book won a Pulitzer Prize for fiction in 1988.

THE STORYTELLER

by Mario Vargas Llosa

This book is written by a man from Peru. It tells the story of a Peruvian who becomes immersed into an Amazon Indian Culture. As he becomes a part of this community, he wrestles with questions about his own identity and the oppression and annihilation of the Indians that come to view him as one of their own.

ISD Welcomes ASD!

Superintendent Visits Programs for Deaf Children

Superintendent Laird's office is making arrangements for him to visit other programs throughout the state which serve Deaf children. Thus far, the Superintendent has scheduled visits to the:

- **MSD of Lawrence Township**
- **Indianapolis Public Schools**
- **West Lake County Special Education**
- **Duneland School Corporation**
- **Fort Wayne Community Schools**
- **West Central Joint Services**

The visits are being conducted so that ISD and the Local Educational Agencies (LEA) can share resources and develop more positive relationships.

Superintendent Laird plans to visit each LEA sometime in the future. Two visits are being scheduled per month and there are approximately 99 LEA's to visit throughout the state.

Please contact George Stailey in the Superintendent's Office should you have any suggestions or requests for information regarding the visits.

IAD ASL Classes

IAD ASL classes are in their third week of the current session. Classes are held in Alumni Hall Monday through Thursday evenings, 7 - 9 pm. These classes are free to parents. During this session Levels 1, 2, 3, 4, 11, and 12 are being held Monday nights, Levels 1 and 2 are being held Tuesday nights, and Levels 5 and 6 are being held Thursday evenings.

The next session begins February 21 with registration being held February 14 and 15 from 6:00 - 8:00 pm in Alumni Hall. For more information call IAD at (317) 636-3323 TTY or use Relay Indiana - 1-800-742-3333.

Thanks

Trooper Rick Kyle, of Alexandria, has made a generous contribution to ISD which will be deposited in the Student Recreation Fund. ISD thanks Mr. Kyle for his generosity.

Welcome

Kimberly Hocker - *SDC Recreation Aide*
Cynthia Squire - *Middle School Secretary*
Barbara Clifford - *VIC Secretary*

Position Paper Scoop

ISD's position paper on Bilingual/Bicultural Education is now under review by the Department of Health (DOH). After the DOH review is completed, the Position Paper Committee will reconvene to review any proposed modifications. When the document is completed, the school will hold an open forum and provide some discussion opportunities. VIC will disseminate copies of the paper.

ISD's LRC Staff Development Office presents:

The Workshop of the Week

Schools of Many Voices: Leadership in a Multicultural Society II

This conference has the following three goals:

- 1) To provide educators with information that is designed for all students, of all races, ethnic groups, and social classes;
- 2) To help educators learn how to reduce the pain and discrimination members of some ethnic and racial groups experience in schools; and
- 3) To have educators examine their total school environment to make certain it is not mono-ethnic.

The conference will be held April 27 - 28 at the Indiana Government Center South. The registration fee is \$60 (limited to the first 325 people). All the registrations from the school must be sent in together. If interested, contact Mary Alice Moon.

0 - 5 Notes

Donations Needed

The 0-5 department is looking for a couple of items: a small refrigerator and a large stereo with boom-boxes. To donate these items or for further information, please contact either Louise Fitzpatrick or Cindy Harris at - (317) 924-4374 ext. 156 TTY/Voice.

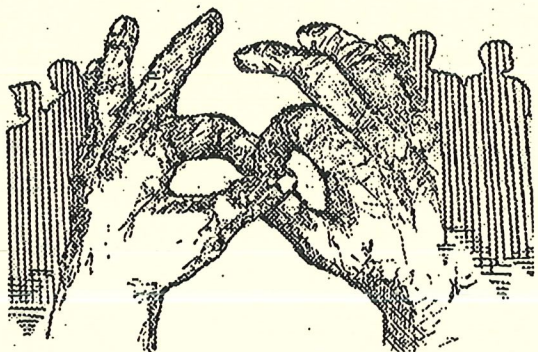

Thanks

A BIG thank you to Wendy Whiting Laird for donating stuffed animals to the 0 - 5 program and to Jill Lestina for donating toys.

ISD appreciates their kindness.

Congratulations

Student Employee of the Week

Jason Geary this week's student employee of the week, started working at McDonald's restaurant on the corner of 52nd and Keystone in October. He was very well liked and doing a super job according to his supervisor. He took care of the french fry area and was responsible for keeping the dining area and restrooms clean. Jason has just started a new job this month as an Architectural Drafting intern with Woolan, Molzan, and Partners.

Usually students in ISD's Student Employment Program are not moved from one job to another, but Jason was allowed to because he has expressed an interest in pursuing a career in architecture. He has taken classes in drafting, CAD drafting, and architecture while in high school at ISD.

At his new job, Jason is doing a lot of filing, making blueprint copies of building plans for the architects, and delivering plans to businesses. He will get to do some drawings later according to his supervisor, Todd Rinehart.

Jason, a senior, is from Fort Branch. In his first week at work he met a woman architect who grew up in a town just a half-mile from his home town. What a small world!

Staff Development News

Transition Workshops

ISD has had a terrific response to the Transition Workshops. The first three being offered are now closed. There are still four spaces in the one that will be held after school on Tuesday and Wednesday, April 12 and 13, 4 - 8 pm. To grab one of the few remaining spaces contact the Staff Development office as soon as possible.

Parents of Children with Autism

The parent support group that meets at St. Mary's Child Center had such a great response to their November speakers that they have invited presenters Patty Martin Brown and Patty Seidl to come back and show how to actually "do" the techniques. They will be at the meeting at St Mary's on February 9 at 7 pm. The presentation will include a video showing approaches to engage children with Autism.

Rehabilitation Counseling with Deaf and Hard of Hearing Adults

Western Oregon State College is offering a four week summer program in Rehabilitation Counseling with Deaf and Hard of Hearing Adults. The purpose of this program is to improve the employment and independent living status of Deaf and Hard of Hearing individuals by increasing the number of rehabilitation personnel nationwide who have the necessary knowledge and communication skills to serve this population.

Students will earn nine credits for \$90 registration. On campus housing for the four weeks is \$405. For more information call (503) 838-8444 TTY/Voice.

IN-ARF at Adam's Mark

Indiana Association of Rehabilitation Facilities (IN-ARF) is having its annual conference March 15 - 17 at the Adam's Mark. The preliminary program is posted on the bulletin board outside Alumni Hall Room 223. Registration charges are not available at this time.

Focus 2000: Circle of Inclusion - Families, Children, Schools, Community

Association for Childhood Education International will have its annual conference in New Orleans, Louisiana March 30 - April 2. The theme for the conference is, "Focus 2000: Circle of Inclusion - Families, Children, Schools, Community." Registration for members is \$85 before February 15 and \$95 after February 15. For non-members, early registration is \$135 (after February 15 - \$145).

Access Silent Asia Conference

This forum is part of a series of public hearings conducted by the University of Arkansas "Building a New Agenda for the Future of our Minority Deaf Communities." The purpose is to collect information from a variety of consumers, parents, family members and professionals during the period of 1992 - 1006. The goal is to develop a series of reports that can be used to advocate improved education and rehabilitation services for Deaf individuals who are members of racial/ethnic minority groups.

Individuals interested in attending the forum will be invited to make a presentation of up to 10 minutes each. This forum will be held at the Holiday Inn in China Town in San Francisco.

ASDC LEGISLATIVE ALERT

ATTENTION: ASDC Membership and Others Who are Concerned About Our Children who are Deaf and Hard of Hearing

Recently Judith Heumann, Assistant Secretary of Special Education and Rehabilitative Services, addressed the California Department of Education's Annual Fall Conference. In her speech she explained the federal Department of Education's new position on inclusion, the practice of educating all children, regardless of disability, in the regular classroom. What she said shocked parents and advocates of quality education for children who are deaf and hard of hearing.

Ms. Heumann indicates that under the Individuals with Disability Education Act (IDEA), schools would be expected to mainstream children whenever possible. She compared separate special education to racial segregation of the kind prohibited by the landmark civil rights case, Brown vs. Board of Education. She called separate special education "immoral."

The American Society for Deaf Children believes that placement choice should be determined by the individual needs of the child, not a "one size fits all" mentality. ASDC believes that separate special education should always be an option, and there should be many options for children who are deaf or hard of hearing. Mainstreaming should be only one of those options. Separate education including Regional Programs, Center Schools, Self-Contained Classes, Special Day Programs and Residential Schools should be celebrated and supported for what they offer our children: rich full language, access to deaf culture and community, and inspiring role models to help our children achieve.

Do you agree? Do you want to ensure a range of options for your deaf or hard of hearing child and the right to choose an appropriate placement? Or do you want your child automatically placed in a neighborhood school without taking into account your child's unique needs? If you are disturbed by Ms. Heumann's position, write to your legislators. Send copies of the letters to ASDC, or call to let us know you have sent a letter.

Remember: If our Washington representatives do not hear from us, they will assume we are satisfied. Together we can ensure quality education for our children.
